Polar- und Meeresforschung im hohen Norden – Episode 1: Canada
Dr. Catherine Lalande

Perhaps some text about the animals mentioned could be added.
Inuits

http://www.isuma.tv/atanarjuat
1. Read the canadian news at www.cbc.ca to see the importance of climate change and Arctic regions in current issues.

2. Do the same for other countries with territories in the Far North (Russia, United States, Norway, Denmark).
