

3. Geschlecht & geschlechtliche Identität

Episode 3: Anti-Gender Mobilisation in European Academia

Interview with Prof. Dr. Andrea Pető DSc
Central European University, Budapest

Question 1

What are the main points of criticism of the critiques of the gender concept?

Question 2

What makes the gender concept being criticized so harshly by neo-conservatives, neo-authoritarian and either right-wing scholars and politicians?

Question 3

What does the attack on gender researchers in some countries like Hungary, Turkey, Poland mean to academia in general?

Question 4

How should and can academics effectively react to this?
